4. Monitoring of Services

We may occasionally monitor and record calls made to or by us relating to customer services and telemarketing. We do this for training purposes and to improve the quality of our customer services, including complaint handling.

5. Use of Your Information

5.1 We will use the information we have about you and your use of the Service for marketing purposes. However, we will not do so if you ask us not to.

5.2 For your information we process your billing data and information about your use of Mainstream's Service (this includes information about your bill size, the numbers you call and the times you call) for marketing our own telecommunications products and services. This allows us to better inform you about products, services, pricing packages and special offers which we provide and which we believe may be of particular interest to you. For example, we are able to help you benefit from discounts to frequently called numbers and destinations. We do not disclose this information to anyone else. We need your consent to continue to give you all the benefits

that this processing provides and will assume we have it, unless you tell us otherwise by writing to us at
Mainstream Digital Ltd, Freepost SWC1208, Cirencester, GL7 1BF or any other address we give you.

6. When We Will Provide the Service

We will provide you with the Service by the date we agree with you in writing mail or fax.

7. Repairing Faults

7.1 We will work on any fault that is reported to us according to the repair service we have agreed to provide to you.

7.2 When we agree to work on a fault outside the hours covered by the repair service that we provide to you, you must pay us any extra charges incurred.

7.3 If you tell us there is a fault in the Service and we find either that there is not, the fault is caused by Your Equipment or that someone at your premises has caused the fault, we may charge you for the work we do, to try to find the fault or to repair it.

What You Agree To Do

8. Paying Our Charges for the Service

8.1 Charges

(a) You must pay the charges for the Service as set out in the Order Form. This applies whether you use the Service or someone else does. We can change the charges as explained in paragraph 14.2.

(b) Abortive Visit Charges

Failed engineer appointments will incur an abortive visit charge. Whether the appointment is for installation or due to a fault, where an appointment has been made, you must ensure that you, or someone acting on your behalf, is available at the premises to meet the engineer

(c) Aborted Installation

Where the client aborts an agreed contracted activity that includes the supply of equipment and the notice period is less than 14 working days Mainstream will levy a fee for the equipment at 25% of the value of the equipment.

8.2 Bills

8.2.1 Mainstream billing is paperless. We will send you an e-mail shortly after we provide the Service advising your bill can be viewed online at the website we specify (if you have registered with us for online billing). We will send you a further e-mail approximately every month advising the latest bill can be viewed online, but we may send you a bill at any time including any charges for the Service and Calls in arrears. We will send the billing notification to the valid e-mail address provided.

8.2.2 Should you require Mainstream to send a full detail paper bill there will be an additional charge per invoice.

8.3 Payments in Advance, Deposits and Call Levels

(a) We may ask you for a payment before one is normally due. This will not be more than the connection charge(s) and rental(s) for the first quarter

(b) We may ask for a deposit at any time, as security for payment of your bills if it is reasonable for us to do so.

(c) We may use the services of a credit reference agency in order to approve your application for services. We reserve the right to decline any application for Service that does not meet our criteria.

8.4 When You Must Pay

You must pay all charges and rental within 14 days of you receiving your bill and deposits when we ask for them.

Payments must be made by direct debit only unless agreed otherwise in writing by Mainstream.

8.4.1 If Mainstream does not receive payment by the due date; Mainstream may charge the User without further notice:

(a) a late payment fee of £5 per invoice where payment has not been received by the due date

(b) daily interest on late payments at a per annum rate equal to 7% above the base lending rate of the European Central Bank for the period beginning on the date on which payment is due and ending on the date on which payment is made.

If you do not pay a bill, Mainstream may instruct a debt collection agency to collect payment (including any interest, and / or late payment charges) on its behalf. If Mainstream instructs an agency, you must pay Mainstream an additional sum. This will not exceed the reasonable costs Mainstream has to pay to the agency, who will add the sum to the User's outstanding debt on Mainstream's behalf. If any sum owed by the User to Mainstream under this Agreement or any contract with Mainstream is not paid by the due date, Mainstream may deduct this sum from any payment or credit due to the User under this Agreement or any other contract with Mainstream.

If you ask us to test Your Equipment to make sure that it meets those standards you must pay us the charges agreed for the testing.

(c) You are liable for all charges for Calls that arise from faulty equipment, incorrectly installed software, software bugs, viruses, fraudulently made calls and incorrectly configured hardware that fails to disconnect from the network or repeatedly redials.

9.2 Supplying a Place and Electricity for our Equipment

We will have to place equipment on your premises to provide you with the Service. You must provide a suitable place and conditions for our equipment. If we have to supply equipment that needs a continuous mains electricity supply and connection points, you must provide them where we need them at your own expense.

You must prepare your premises before we arrive according to any instructions that we give you. When our work is completed, you will also be responsible for putting items back and for any necessary redecorating.

9.4 Entry to Your Premises

(a) If engineers have to enter your premises you must let them do so as long as they show their Openreach or Mainstream identity card. We will meet your reasonable requirements about the safety of people on your premises and you must do the same for us.

(b) If we need someone else's permission to cross or put our equipment on their premises, you must get that agreement for us and make any necessary arrangements.

9.5 Damage

Nobody must tamper with our equipment that is on your premises. If anyone does and there is any damage to or loss of our equipment, you must pay the charge for any necessary repair or replacement.

If Things Go Wrong

10. If We Break This Agreement

10.1 If we accept liability for being late in providing the Service or repairing a Failure of the Service, or for failing to keep an appointment, unless for a reason covered by paragraph 12 our liability is limited as set out in this paragraph 10.

10.2 If we accept liability if you are injured or die as a result of our negligence, we do not limit that liability and paragraphs 10.3, 10.4 and 10.5 do not apply to that liability.

10.3 We have no liability under this agreement for a failure in provision of the Service or the Service itself. This does not affect our liability if we are negligent.

10.4 We have no liability for any loss that is not reasonably foreseeable, nor any loss of business, revenue, profit, or savings you expected to make, wasted expense, financial loss or data being lost or harmed.

10.5 Any liability we have of any sort (including any liability because of our negligence) is limited to £1 million for any one event or any series of related events, and in any 12 month period to £2 million in total.

10.6 Each part of this Agreement that excludes or limits our liability operates separately. If any part is disallowed or is not effective, the other parts will continue to apply.

11. Force Majeure

If we cannot do what we have promised in this agreement because of something beyond our reasonable control such as lightning, flood, or

exceptionally severe weather, fire or explosion, civil disorder, war, or military operations, national or local emergency, anything done by government or other competent authority or industrial disputes of any kind, (including those involving our employees), we will not be liable for this.

12. If You Break This Agreement

12.1 We can suspend the Service or end the agreement (or both) at any time without telling you if:

(a) you break this agreement or any other agreement you have with us for Services and fail to remedy the breach within a reasonable time of being asked to do so;

(b) we believe that the Service is being used in a way forbidden by paragraph 9.6. This applies even if you do not know that the Calls are being made or the Service is being used in such a way;

(c) bankruptcy or insolvency proceedings are brought against you, or if you do not make any payment under a judgement of a Court on time, or you make an arrangement with your creditors, or a receiver or administrator is appointed over any of your assets, or you go into liquidation.

12.2 If any agreed Credit Level is reached before your next monthly bill is sent to you, we will inform you of the amount you have spent and agree any necessary action. If you have a limited payment history for the Service (less than 3 bills received and paid in full) we may also restrict your ability to make outgoing calls pending payment of charges accrued on our billing system.

12.3 If you miss a payment, we will not suspend the Service or end the agreement until 7 days after the payment was due. However, if we suspend the Service and you miss another payment during the 12 months after we provide the Service again, we may then suspend the Service or end the agreement (or both) 7 days after the payment was due. In the case of a bill for Call charges only we may suspend the Service or end the agreement (or both) 7 days after payment was due.

12.4 If we suspend the Service, there will be a charge to reinstate the Service and we will not provide it again until you do what you have agreed, or satisfy us that you will do so in future or that the Service will not be used in a way that is forbidden by paragraph 9.6.

12.5 If we suspend the Service because you break this agreement, the agreement will still continue. You must pay us rental until we end the agreement by giving notice under paragraph 12.1 or you or we end the agreement by giving notice under paragraph 17.1.

17.3 If you have paid any rental for a period after the end of the agreement, we will either repay it or put it towards any money you owe us.

17.5 We can end this agreement at any time without telling you if paragraph 12.1 applies.
